

"Since 1995, the Oakville Stokers program has succeeded in giving qualifying stroke survivors a new lease on life.

"It is a unique community program which is a credit to the town, hospital, local businesses and, most of all, caring volunteers.

"I recommend the Oakville Stokers program strongly to any adult on the road to recovery, regardless of age."

Oakville Stokers Making Waves for Recovery

The Oakville Stokers is a community initiative for stroke survivors.

Offered in close collaboration with the Town of Oakville, Department of Recreation and Culture, and the Physiotherapy and Occupational Therapy Department of the Oakville Trafalgar Memorial Hospital, Oakville Stokers helps participants revitalize their sense of independence, mobility and overall well-being.

It is especially meant for those who truly believe they can make waves in overcoming the aftermath of a stroke.

Sessions run for 10 weeks in the fall, winter and spring at the Glen Abbey Community Centre, the home of the Oakville Stokers.

Each weekly program begins with a **socializing and light refreshment time**, followed by **low impact stretching and exercises**, and a **One Hour Pool Session**. The Glen Abbey pool is reserved at this time.

Participants then enjoy a **group lunch**, followed by **card games, arts and crafts**, and **other leisure activities**. Emphasis is placed on fostering a warm, caring and cooperative environment. Above all, it is fun and rewarding for all.
